LECTURE INTRODUCTION:

In the demonstration class the teacher will be discussing collaborative work and discussing artists who have worked collaboratively in art and design and the students will be creating a collaborative work in the session. The students will just need a piece of paper, pencils, coloured pencils and pens to complete this.

Sam Dargan *Lecturer*

Sam Dargan has been working as an art and design tutor at DMUIC for years and teaches on the international Year Zero Art and Design and the International Incorporated Masters programmes. Prior to working at DMUIC Sam Dargan taught on Adult Education courses in London.
