

Online Information Session for the English-based Degree Programs at the School of Political Science and Economics, Waseda University

Greetings from the Administrative Office of the School of Political Science and Economics at Waseda University.

In August every year, Waseda University holds an Open Campus event, in which we host an information session on our **English-based degree programs (EDP) in Political Science, Economics, and Global Political Economy**. Regrettably, due to the COVID-19 pandemic, the event will not be held this year. Instead, we would like to welcome you and your students to join us for an online information session.

**For prospective applicants and all who are interested in the English-based degree programs at Waseda University's School of Political Science and Economics, we will hold two information sessions using the Zoom online conference system on Saturday, August 22<sup>nd</sup>.** In these sessions, we will provide information and answer questions about our programs and the upcoming 2021 admissions. *Students, parents and high school counselors are welcome to attend this event.*

For details about the information session and the registration procedures, please visit the link below:
