

# LEAP 2020

Leadership and Entrepreneurship Accelerator Programme

ASPIRE · INQUIRE · EXCEL · BELONG

*The LEAP programme develops business, entrepreneurial and leadership skills through developing social enterprise projects to target key global issues. These are then undertaken within the International Women’s Academy, a global female empowerment network, to become long-term sustainable global projects. Global experts act as coaches, mentors and guides. Finally they act as investors, ready to provide funding in a Dragon’s Den like final pitch.*

**Included in LEAP 2019 (as an example)**

- ☛ Students from over 15 countries
